

132nd Virtual Wing

OP URGENT JUSTICE

Scenario overview for campaign
contributors

132nd Virtual Wing

Russia conducted a military attack to seize Abkhazia, and are now occupying it, as shown in the red zone

132nd Virtual Wing

Russian military district divided up as shown on the map (We can change the names and boundaries if anyone have better suggestions)

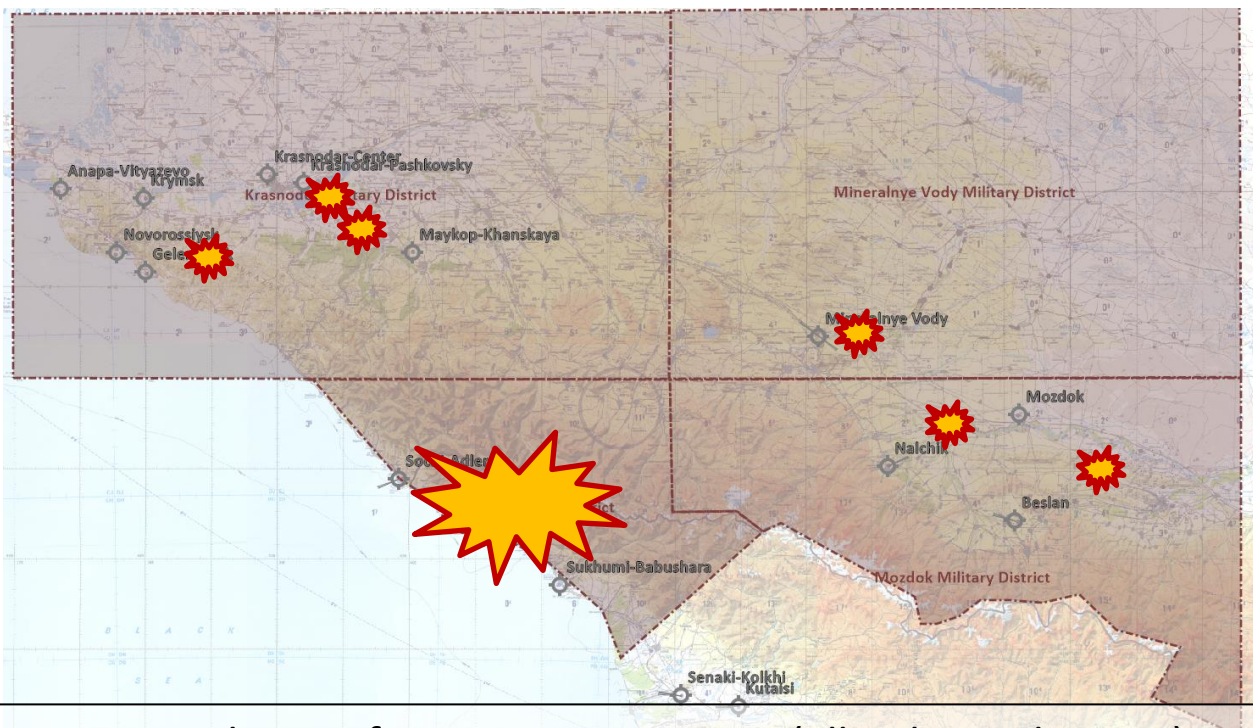

132nd Virtual Wing

Campaign will start with OP URGENT SHIELD (OPUS) which will be a allied Combined Joint Task Force (would need to come up with a cool name and a logo) that are rushed together to reassure Georgia against the Russian aggression.

The first 1-2 missions will be conducted in OPUS, as a preperation phase, and focus will be on getting intelligence in preperation for the launch of OP URGENT JUSTICE, which is a campaign to retake Abkhazia, and a full out war with Russia (Add in some information about things taking place other areas in the world aswell)

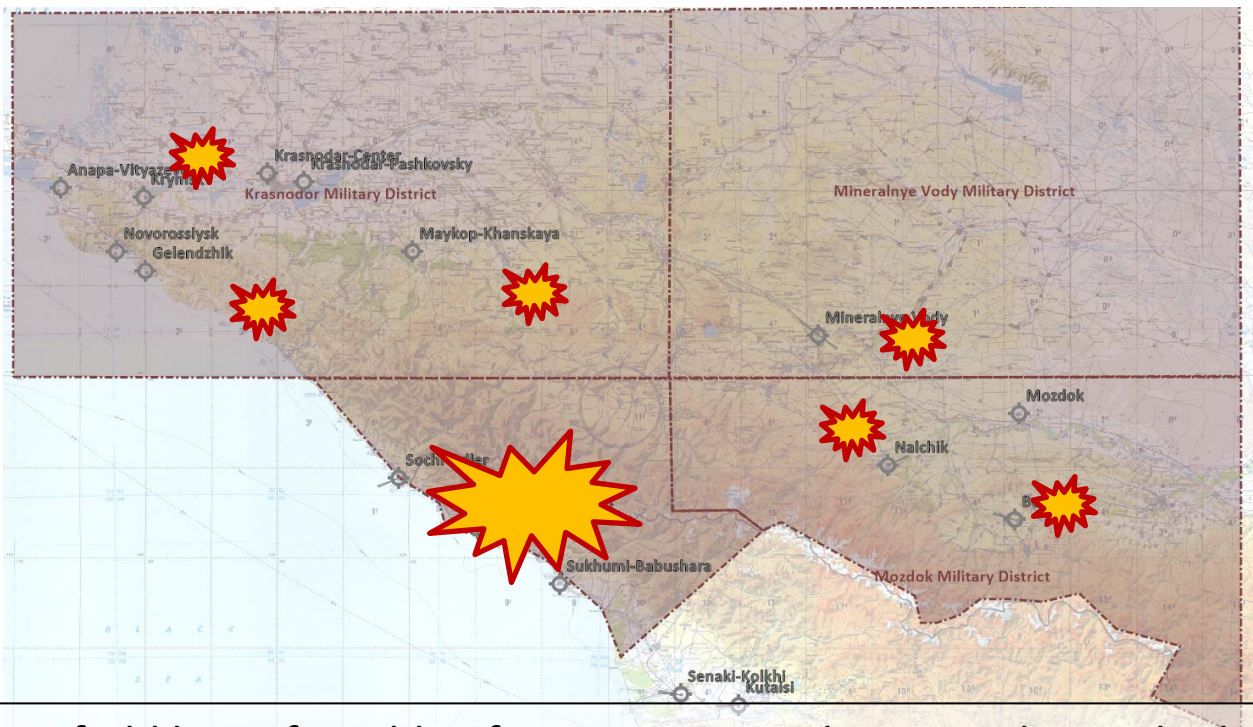

132nd Virtual Wing

Phase 1: Strikes at IADS and Key infrastructure in Russia (all military districts) at the same time as Air Interdiction strikes from RW and A10 to netneutralize important Russian fielded combat assets in Sochi military district area (occupied area)

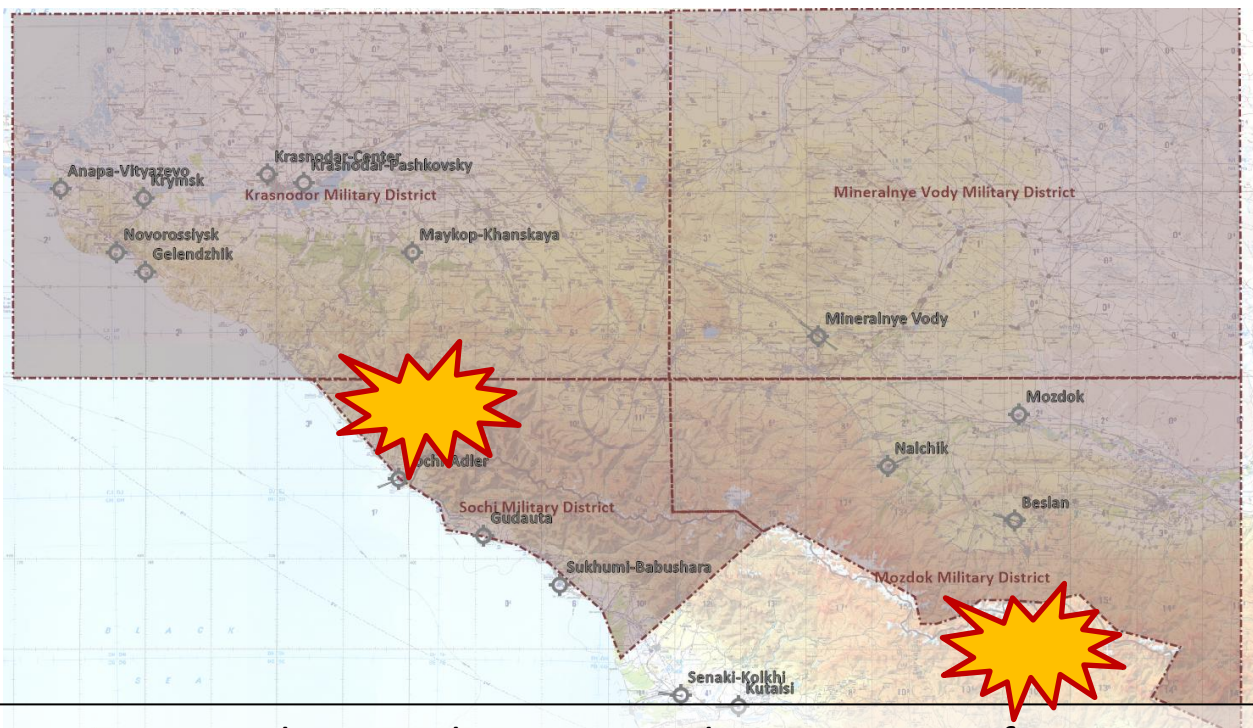

132nd Virtual Wing

Phase 2: Invasion of Abkhazia from blue forces + Air Interdiction Strikes and other strikes in the various military districts to prepare for an invasion of Russia.

132nd Virtual Wing

Phase 3: Russian counterattack at South Ossetia and eastern part of Georgia
